About Me

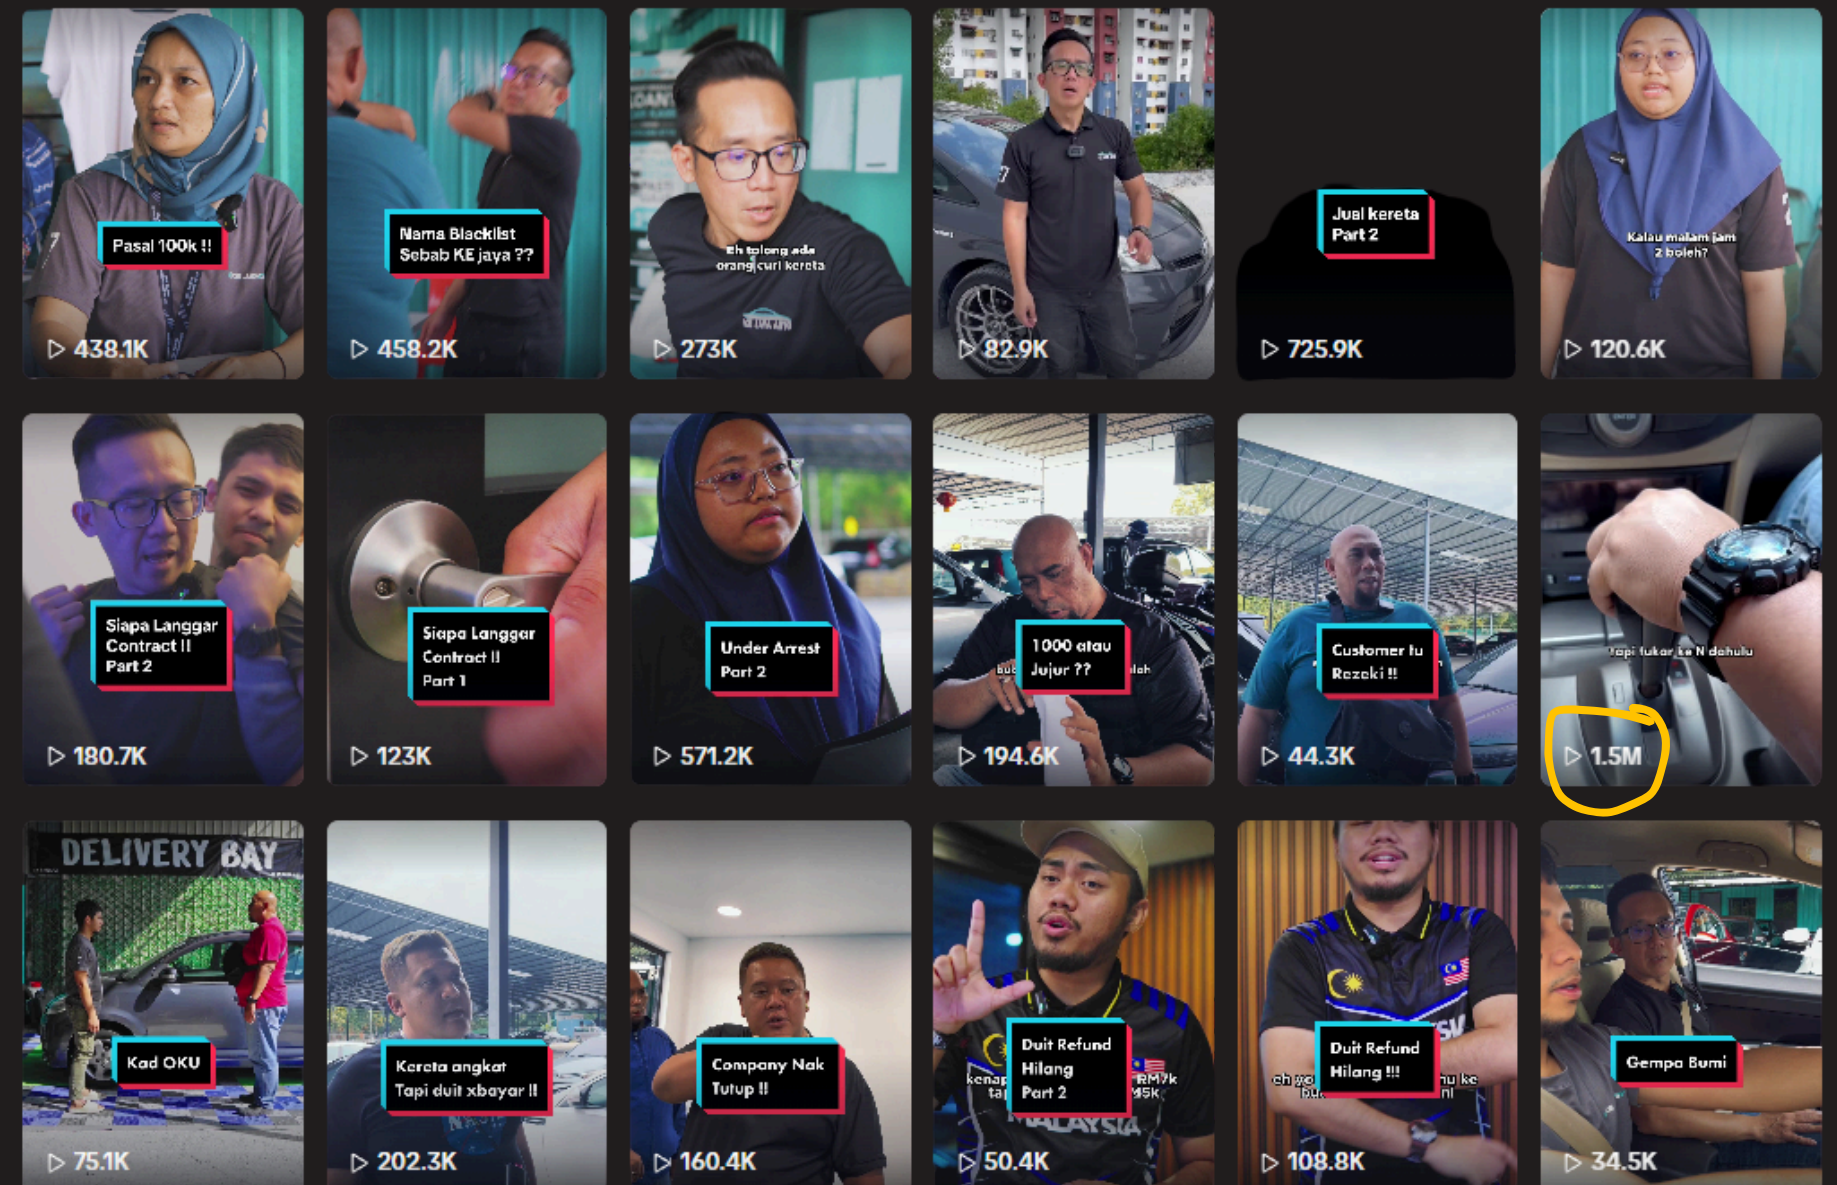

Introduction About Me

Hi! I'm Zain. I'm a marketing and business professional with experience in strategy, content, and performance marketing. My work focuses on building clear, data-driven strategies that support business growth and deliver measurable results.

Few of My Project

Content Creation

I've created content for my client that engaged millions of views and even featuring myself on some of the content to enhance my skill in front of camera.

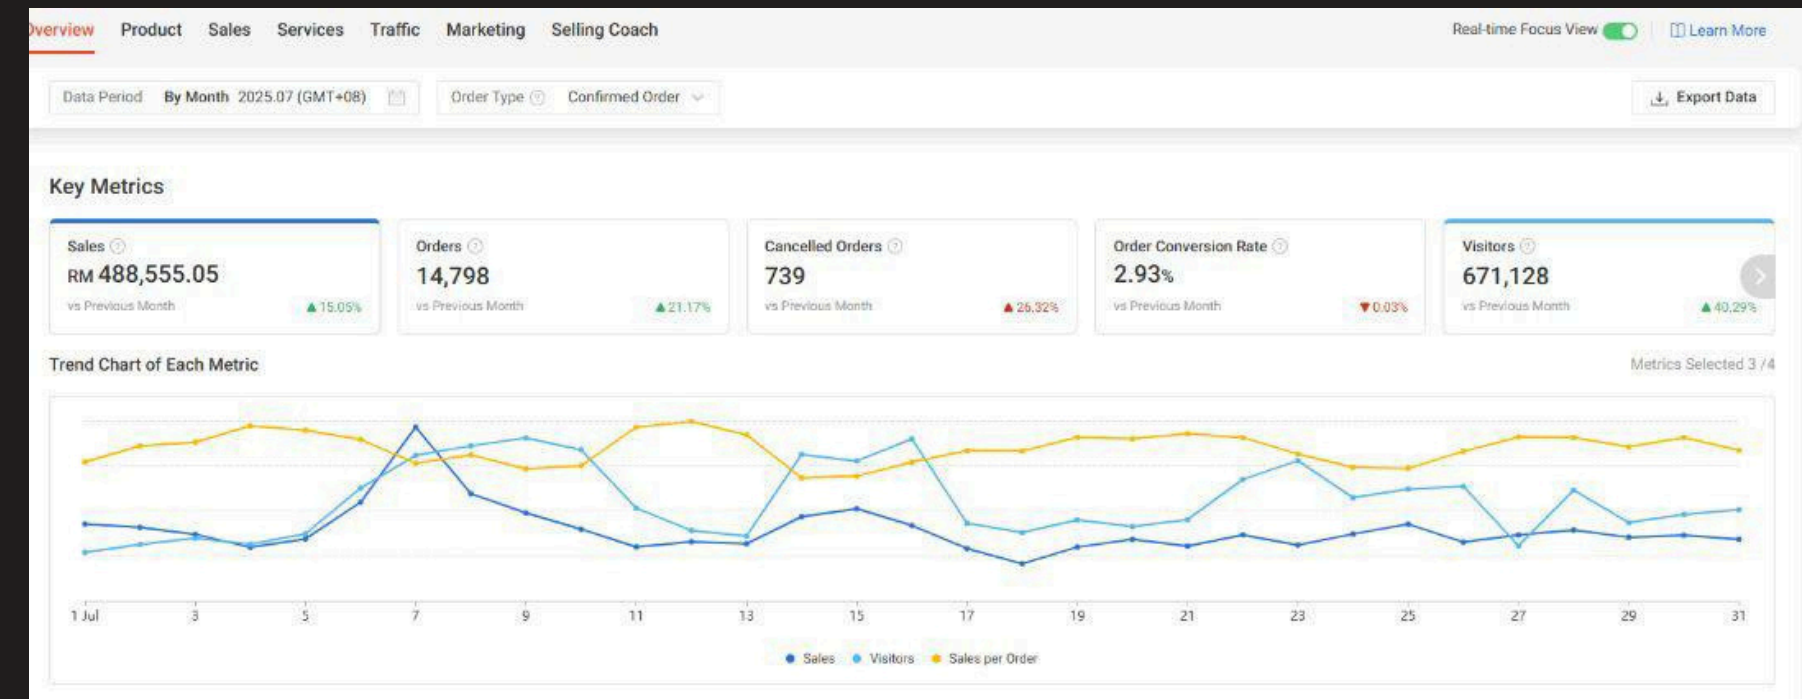

Featuring Myself in the content.

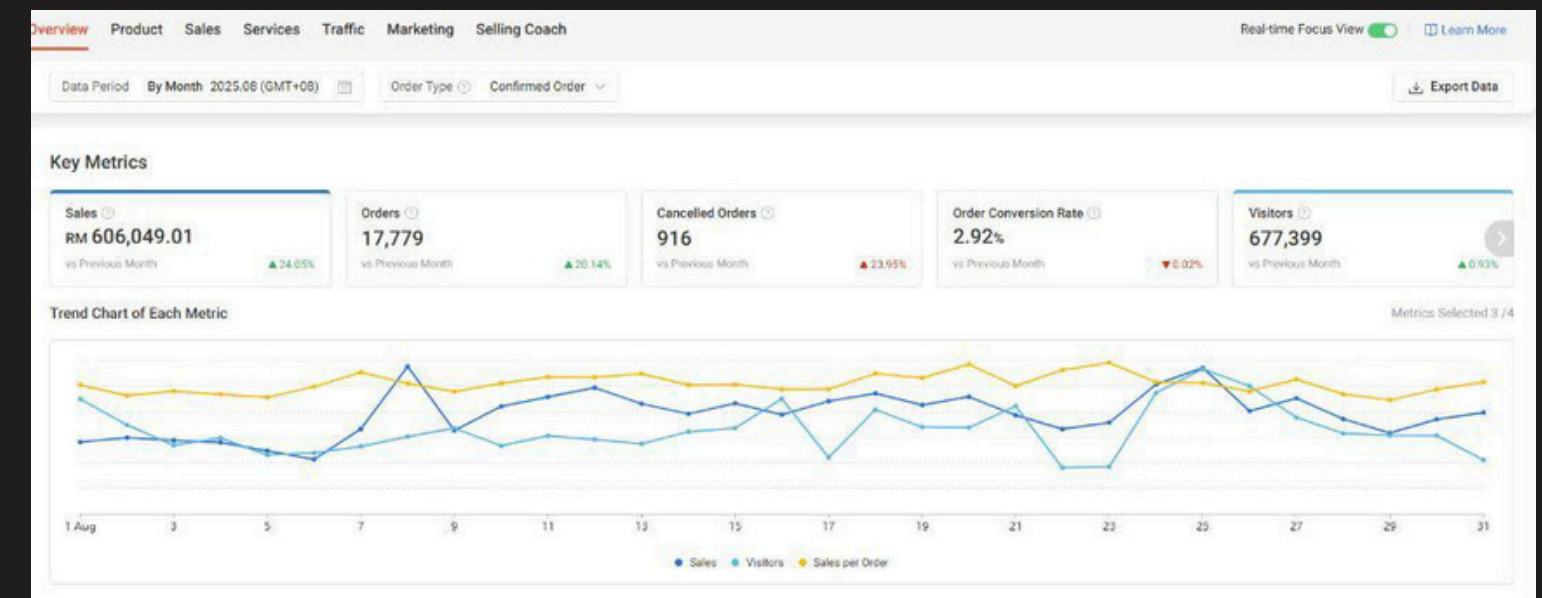

Livestreaming Marketing

Livestreaming Management

I've handled livestreaming for my client and provide formula that can generated higher sales in livestreaming especially during campaign period.

July.

August.
